16 September 2020

Restarting our Bus Services

On Tuesday 17th March 2020, Battle Area Community Transport suspended all its bus services, due to the Covid-19 pandemic.

We are planning to restart some of our services, on **Monday 28th September 2020.**

These would initially be limited to our weekday services, listed below.

Mondays – B72
Tuesdays – B67, B71, B73, B79
Wednesdays – B75
Fridays – B74

Our B80 to B90 services remain suspended until further notice. Bus hire services also remain suspended.

Our primary concern is to protect the health and wellbeing of our volunteers, passengers, and the wider community.

There will need to be a 50% reduction in passenger seating capacity (i.e. a maximum of 8 persons), to aid social distancing.

Please do not use our buses if you are displaying any Covid-19 symptoms.

All seats must be pre-booked with the office on (01424) 870955. Names and contact details must be submitted to aid with Test & Trace.

Additional hygiene measures will be adopted, including the requirement for all onboard to wear face coverings (unless exempt), and to use hand sanitiser gel.

Rubbish bins will be removed from the buses. Passengers must take their rubbish away with them for safe disposal.

We ask that everyone in the community respect our volunteers and to bear with us, as we find the safest way to restore our services in these difficult circumstances.

Battle Area Community Transport.
